

Think Hydrafacial is just for women?
Think again! There's a tonne of
benefits for men too:

Hydrafacial addresses: Fine Lines & Wrinkles, Elasticity & Firmness, Even Tone & Vibrancy, Skin Texture, Brown Spots, Oily & Congested Skin and Enlarged Pores.

HydraFacial delivers instant and long lasting results that you can see and feel.

With ongoing treatments, you'll notice intensely improved hydration, minimised dark spots and dramatically reduced appearance of fine lines and wrinkles."

The treatment can be tailored and personalised to meet your specific needs and suits all skin types.

It is the best of both worlds of what can be achieved when technology and innovation meet skincare.

It's also great for men who often don't put a lot of effort in to their skin as the patented Vortex-Fusion technology goes deep into the skin to extract all the build-up and impurities, leaving long-lasting results and healthier skin.

Step 1

Cleansing and Exfoliation

Dead skin cells are removed to reveal new skin.

Step 2

Acid Peel

This gentle peel helps loosen dirt and debris from pores without irritation.

Step 3

Extractions

Painless, automated extractions use vortex suction to clean out pores.

Step 4

Hydration

Antioxidants and Hyaluronic Acid are Vortex-Fused™ to nourish and protect.

Step 5

Protection

The HydraFacial® Daily Essentials™ help maintain and protect your results.
